## ABOUT ME

I am a designer, with an academic background in Architecture. I decided to pursue architecture on the internet, and I am enjoying the opportunity to design online 'homes' for people.

## WORK EXPERIENCE

2022

### WEB DESIGNER

**BAFS Construction Company**

I was responsible for designing the website. I had to come up with mockups, and wireframes, which would be used by the developer later on.

2022 - 2023

### WEB DEVELOPER

**Ceramics Central Limited / Kampala, Uganda**

I was responsible for designing and developing a website ([www.ceramicscentrallimited.com](http://www.ceramicscentrallimited.com)) that would allow the brand to have an online presence,

2020 - Present

### DESIGNER & DEVELOPER

**Buya-Art**

Buya Art is an art online business of making family portraits. I had to design their website ([www.artbybuya.com](http://www.artbybuya.com)) that allows people to see the art, make an order, and be able to contact
